How to Check the Lower Unit Gear Oil on a MerCruiser Alpha ...

The lower unit gear case oil on the Mercruiser Alpha One outdrive serves a very important function. Proper oil level and quality insures that the lower end transmission gears and shafts have enough lubrication to spin freely and smoothly, with no friction.

Boat Sterndrive, Outboard Lower Unit, Sterndrive Engineering

Sterndrive Engineering (SEI) is the largest supplier of aftermarket sterndrives and our own line of outboards in the world. The company makes replacement sterndrives for MerCruiser's® Alpha One® and Gen II stern drives and replacement outboard lower units for Mercury®, Johnson/Evinrude® and Yamaha®. Sterndrive Engineering's Outdrives are not remanufactured, they are entirely new.

Alpha one impeller?

OK i have to tell you that i am totally new into boating. But I went out only twice and twice had a break down. After playing with my screw driver i managed to reach the shore but it wasn't fun at all. So i've decided to take her for a big service. The mechanic told me they have replaced the impeller in the gearbox... Can anybody tell me what is it?

Lower unit oil capacity

"I am about to embark on my first outboard winterizing project (1977 Johnson 175hp) and I think I am good to go with everything, but have a couple of questions - I am going to drain and refill lower unit oil and see that I will need to fill from the plug that I drain from, presumably using a pump or squeeze bottle... so, how do I know when it is full?
