Wisconsin Labor Standards Laws

Wisconsin Labor Standards Laws. Employers covered by these standards also may be subject to similar federal laws and regulations as well. In cases where the laws contain different requirements and the state regulations are more stringent, the department is required by law to enforce the state regulations. Federal laws do not preempt state regulations in these cases.

Wisconsin Labor Laws

Meals and Breaks. Wisconsin labor laws require employers to provide employees under the age of eighteen (18) at least a 30-minute duty free meal period when working a shift greater than six (6) hours in duration. Wisconsin does not require employers to provide breaks, including lunch breaks, for workers eighteen (18) years old or older,...

Wisconsin Employment Laws

Wisconsin Employment Laws. In conjunction with federal labor laws, state laws cover a wide range of employment law issues, including the minimum wage, overtime pay, legal holidays, whistleblower rights, as well as "right to work" issues. For example, Wisconsin's employment law sets the rate at which overtime work must be paid and...
